

TECHNICAL DATA SHEET

KRASO® Cable Inlet Box KDS 150

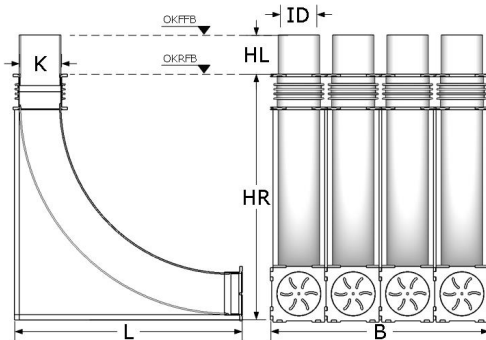

Product Image

Product Information

Name	KRASO® Cable Inlet Box KDS 150 – 1 x 4 with radius 1000 mm
Pressure tightness (bar)	3,5
Weight (kg)	31,5
Article no.	KKDS150HA41000

Technical Drawing

Dimensions

K	Bayonet mount (mm)	160
ID	Internal diameter (mm)	150
B	Width (cm)	84
HR	Height building component (cm)	122
L	Length (cm)	120
HL	Empty pipe insert (cm)	25
	Bending radius (mm)	1000
OKFFB		top edge finished floor
OKRFB		top edge unfinished floor

Scope

For the installation of supply lines like e.g. water – electricity – telecommunication etc. for buildings without basement (not certified as gas house connection according DVGW).

Material

Frame / base plate element	PVC
Bend	PVC
4 Seal	PVC
Closure cover	ABS

Tests

MPA	yes
DVGW	no

[TEST CERTIFICATE](#)

Resistance

Temperature	0 °C to 60 °C
Manure	yes
