

TECHNICAL DATA SHEET

KRASO® Cable Inlet Box KDS 150

Product Image	Product Information	
	Name	KRASO® Cable Inlet Box KDS 150 - 1 x 1
	Pressure tightness (bar)	3,5
	Weight (kg)	8,3
	Article no.	KKDS150HAS1

Technical Drawing	Dimensions	
	K Bayonet mount (mm)	160
	ID Internal diameter (mm)	150
	B Width (cm)	21
	HR Height building component (cm)	92
	L Length (cm)	83
	HL Empty pipe insert (cm)	25
	Bending radius(mm)	650
	OKFFB	top edge finished floor
	OKRFB	top edge unfinished floor

Scope	Material	
For the installation of supply lines like e.g. water - electricity - telecommunication etc. for buildings without basement (not certified as gas house connection according DVGW).	Frame / base plate element	PVC
	Bend	PVC
	4 Seal	PVC
	Closure cover	ABS

Tests	
MPA	yes
DVGW	no

[TEST CERTIFICATE](#)

Resistance	
Temperature	0°C to 60°C
Manure	yes
